

## *"God's Pinned Post"*

Exodus 34:1–9

30 April 2023

### **INVITATION**

1. What is your preferred way of engaging with news? What benefits and drawbacks have come with the shift from newspapers to news websites too social media feeds?

### **RECOLLECTION**

2. What stood out to you as you listened to the sermon Sunday morning? Was there anything said on which you require further clarity?

Are there areas in which you would like to see change in your own walk with the Lord? How can your Grace Group hold you accountable?

### **OBSERVATION**

3. Moses speaks of the LORD forgiving iniquity, transgression, and sin. We might use these words interchangeably, but they each have an important emphasis. Discuss this relevance.

### **APPLICATION**

4. The God Israel needed is the God we need today. How are his enduring attributes, as revealed in Scripture, applicable to us today?

If we do not accept the full revelation of God in Scripture—believing that he all he says he is—we have fashioned an idol. Is this a fair statement? Why, or why not?

5. Moses was a sufficient mediator for this moment in time, but he is not a sufficient mediator for us today. Why? What do we need in a perfect mediator?
  
6. What role does the law of God play for the new covenant church? Is this different than the law's design for the old covenant people of God? Explain.
  
7. If God is gracious and merciful, and desires all to come to repentance, why will he by no means clear the guilty?
  
8. Think about the word "inheritance" in this text. Are we God's inheritance, or is he ours? What do you understand by the term "inheritance"?

#### SUPPLICATION
