

“Corporate Worship and the Character of God (Part 2)”

1 Corinthians 14:26–40

12 May 2024

RECOLLECTION

1. What stood out to you as you listened to the sermon on Sunday morning? Was there anything said on which you require further clarity?

OBSERVATION

2. We live in an “elsewhere culture,” largely thanks to our smartphones. What are you most distracted by and how can you get “rewired”?

3. Why should there be a sense of order associated with corporate worship?

What can we expect from a worship service at BBC?

4. If Spirit-filled worship does not equate to spontaneity, what does Spirit-filled worship look like, and what is the result of orderly, ordinary, worship?

5. How should Christians think about apparently novel ideas in the church?

APPLICATION

6. How might a wife dishonour her husband in public worship today?

7. One of the reasons for the chaos in the Corinthian church was because men weren't leading their families. What is expected of men in their home regarding the word?

What should a husband do if he cannot answer his wife's questions?

How should a single woman seek to apply 1 Corinthians 14:35?

8. What does it mean to be "spiritual"?

9. How can we identify true spiritual life in the context of confusion?

10. We don't have a lot of speaking in tongues going on at BBC. Are we being disobedient to Paul's command in 14:39?

SUPPLICATION

11. Write down some prayer requests mentioned in your Group and pray for them throughout this week.
